FROM DIXIE'S DESK:

Remember to send your e mail address to Steve Stover at iaanewsletter@comcast.net. Steve will be assisting this office in mailing the bulletin. Thanks for your help in returning the bulletin to a monthly publication. We need your help. If you are a new member to the IAA/NFAA or just signed up for e-mail please forward your address to Steve. If you have something you want printed, please send to this office by the 15th of the month.

The IAA convention will be held March 1, 2009 at Ryan Steakhouse on Dirksen Parkway in Springfield across from the Super Wal-Mart. This will be a one day convention with registration starting at 9AM. Coffee & rolls will be served from 9AM to 10AM. The delegates and board meeting will start at 10AM. Buffet Lunch will be served at noon with the cost of \$15.00. The awards will be presented following the noon banquets. Please make plans to attend.

Clubs will be bidding on the state championship shoots. A list of shoots and dates are listed in the coming events. A delegate must be present for your club to bid on a shoot.

Remember the 2009 indoor championship to be held March 7 & 8, 2009 at Prairie Archery in Virden, hosted by Buckskin Legacy.

Hunting season is winding down, hope everyone had a safe season. Remember to send in your big game application and your team hunt results to Ron Whitlock by February 1, 2009.

From the Tournament Committee --

2009 Indoor Championship March 7 & 8, 2009

The Tournament Committee received one bid for a venue for the 2009 Indoor Championship, from Robert Rayhel, Buckskin Legacy in Robinson. Unfortunately, Robert reported that at the time of the tournament, there is an issue with a large construction project near the town, and all of the motels in the area are booked solid. He proposed, and the Board accepted, that the indoor championship will be held at Prairie Archery in Virden, hosted by Buckskin Legacy.

From the Director's Desk --

The 2009 annual NFAA Board of Directors meeting is coming up in early February. The IAA Board of Directors discussed the agenda items at our November meeting and I do have some feedback from the Board members regarding the agenda items. The agenda items are posted on the NFAA website, and I will welcome any feedback from the membership on these items – I have already heard from some of you.

There are several agenda items that have been submitted regarding the arrow size restriction. The results of the survey that I sent out within the state showed that the majority of members that responded agree that there needs to be a restriction, with the size limit being 27/64 diameter. With this response, I will be voting at the Board meeting for an arrow restriction with a size limit of 27/64 diameter.

I will be boarding the plane on January 30, 2009, so please get me any feedback on agenda items before that date!

Thanks.

Judy McCatcheon
