ATTENTION IAA MEMBERS

The IAA needs your help. We need your e-mail address. We still need roughly another 16% to make the monthly bulletin cost effective. At the convention in 2008 a proposal was made to return to a monthly bulletin by sending the bulletin by e-mail. In order to keep the bulletin on a monthly mailing we still need e-mail addresses.

The advantages of a monthly bulletin are:

- More up to date information
- Clubs would be able to put notices in monthly
- If clubs need to make change, they are able to do this due to the frequency of the bulletin
- Better communication

Everyone, please help us to continue on a monthly bulletin. Clubs, please encourage your members to provide an e-mail address. If anyone needs an e-mail address, or doesn't want to provide their home e-mail address, there are free e-mail accounts available through Hotmail, Yahoo, or Google.

You will be blind copied on the bulletin so no one else will see your e-mail address. This should keep you from receiving e-mail other than the bulletin.

Please help us to continue the mailing, and send your name, address and e-mail address as soon as possible to:

iaadixie@irtc.net and copy iaanewsletter@comcast.net

Again, thank you to everyone that has given us an e-mail address. Please keep them coming.

Thank you
Dixie Garner

The youth committee announced that an indoor tournament for the youth will be held at Glisson Archery. The tournament committee report that a change has been made for the Bowhunter Rendezvous awards. IAA medals will be used instead of plaques. The target outdoor will be a 1 or 2 day event this year. The committee also noted that the Joliet Archery Club had donated the proceeds from the indoor championship and sectional championship to the IAA. After discussion it was suggested to clubs that when they bid on the championship tournaments, they consider offering more money back to the IAA, or we might consider changing the split to help keep the IAA more solvent. No action was taken. Bill Schuh from the club & membership retention committee had some questions on membership.

**2010 Annual Board of Directors Meeting
Judy McCutcheon, NFAA Director**

Agenda Items

New rulings will take effect June 1, 2010. I only reviewed some of the more pertinent items with the delegates attending the Convention, noted below. The changes to the Constitution have been posted on the NFAA website and can be reviewed there. Please feel free to call or email me if you have questions.

PASSED: 15 SIGNATURE ITEM MS 1 – presented after other agenda items for changing the annual meeting were defeated:

RATIONALE & PROPOSED CHANGE: Bi-annual meetings would save money for the NFAA, state associations, and individual directors and also for rulebook publication expense necessitated by changes. Day-to-day business can be handled by Council with input from Directors, RIC items can be mailed to Directors for a vote as can budget issues.

Passed as amended: Add the following statement: "This amendment is for a 2-year trial period to be addressed at the annual meeting in 2012."

PASSED: Constitution page 43 Submitted by Wisconsin code WI-1

RATIONALE By flighting after all scores are shot, puts every archer in order by score with no one shooting a lower score or an incomplete score and finishing above an archer with a higher overall score.

Proposed change: 2. For Outdoor Nationals, archers will be arranged in flights according to their final score and X count, whether it is a 3 day, 5 day or 3/5 day National format. For Outdoor Sectionals, archers will be arranged in flights according to their final score and X count.
3. For Indoor Nationals and Indoor Sectionals, archers will be arranged in flights according to their final score and X count.

PASSED AS AMENDED: 2. For Outdoor Nationals, archers will be arranged in flights according to their final score and X count, whether it is a 3 day, 5 day or 3/5 day National format. For Outdoor Sectionals, archers will be arranged in flights according to their final score and **may** include X count.

PASSED: Constitution page 43 Submitted by Southeast Section code SE-2

RATIONALE: Whether a large or small tournament, we need to go with the "Equal division of the number of archers in each flight will be maintained," and "the last flight will record a lesser number (for two flights) or an unequal number (for three or more flights) as may be required" rules as closely as possible.

Proposed change: Insert new chart showing equal number of shooters in each flight

PASSED: Constitution page 46 Submitted by Texas code TX-1

RATIONALE: We have nothing in the book for scoring Robinhoods.

Proposed change: Add paragraph in Outdoor Shooting Rules under Scoring:

9. An arrow embedded in the nock of another arrow (generally known as a Robinhood) will be scored the same as the arrow it skewered, even if it falls to the ground and not in said target.

PASSED AS AMENDED: Remove "even if it falls to the ground and not in said target."

PASSED: Constitution page 20. Submitted by Southeast Section code SE-4

Rationale: Taking office on 1 Jan and leaving office on 31 December can have an elected official waiting to take office for as long as 11 months. Office should be assumed the month following election or sooner if the office is vacant:

Proposed change: The Councilman shall take office on the first day of the month immediately following election. When the office is vacant, the Councilman shall take office immediately upon election.

PASSED: Add the 300 ft. per second rule to the 3-D rules, which should have been changed in 2009 when the revision was made. This was made effective IMMEDIATELY to take effect for the NFAA Marked and Unmarked 3D tournaments taking place in May.

PASSED: Addition to Professional Dress Code as follows: Not acceptable – jeans of any color except for Outdoor field and outdoor 3D events. Swimming suits, cut-offs and obscene or vulgar slogans or pictures on clothing. Violations to the dress code will be enforced by the Pro Executive Committee and may result in a reprimand, probation, or suspension. Violations should be brought to the Pro Chair by the Tournament Chair.

DEFEATED: Constitution page 17. Submitted by Great Lakes Section code GL-1

Rationale: The use of 15 signature items for the annual meeting is hostile to the Constitution; Directors being asked to vote on these items are not prepared to vote: having no knowledge of the consensus of their state membership on such items. See Article II Purpose: Item L

Proposed change: Annual Meeting. Revise to read:

5.9 - Remove the sentence "Additional items may be placed on the agenda by resolutions signed by 15 board members present at the annual meeting, and must be in proper form".

5.13 – Remove entire item – renumber remaining items

DEFEATED: Pro items to change the scoring to score the x-ring as a '6' for professionals for the Championship Field and Hunter rounds (intent was for State, Sectional, and Outdoor Nationals). The items were brought back to the floor, discussed, and defeated for a second time. The agenda items were then brought back as amended to read "at Outdoor Nationals for a 2-year trial period". The items were defeated for a third time.

NO ACTION OR DEFEATED: Items to add longbow class, make crossbows illegal in competition, to change youth yardages and to change outdoor yardages for traditional shooters were either no action or defeated. There was no action on the item to add Bowhunter freestyle to YA, Y, C.

NO ACTION OR DEFEATED: All items to change descriptions, add definitions to Field/Hunter rounds and to change Field/Hunter rounds.

NO ACTION: Constitution page 18. Submitted by North Carolina code NC-1

Rationale: To promote the growth of the NFAA membership by utilizing Membership Chairpersons at the State level. To collaborate and share ideas within each Section and Nation wide. Through the sharing of different ideas, each state should be required to choose one or two ideas or more if it is a larger state, to try in their area.

Proposed change: Duties of the Board of Directors:

11. Work with a State Membership Chairperson, appointed by them, to develop programs to acquire and expand membership programs in their state, and to provide their councilman with an annual written report of their efforts.

Duties of the Council

9. Shall work with the NFAA Board of Directors within his/her section to review the membership programs and results, and provide a written report of those results, and plans for the following year, at the annual meeting.

RIC Rulings

The RIC ruling for the archer who was bumped which caused his arrow to miss the target was: the arrow passed the 10-foot line and was therefore a shot arrow and the director was incorrect in allowing the archer to shoot another arrow. The Directors overturned this ruling.

All other RIC were upheld.
