

ATTENTION IAA MEMBERS

The IAA needs your help. We need your e-mail address. We still need roughly another 16% to make the monthly bulletin cost effective. At the convention in 2008 a proposal was made to return to a monthly bulletin by sending the bulletin by e-mail. In order to keep the bulletin on a monthly mailing we still need e-mail addresses.

The advantages of a monthly bulletin are:

- More up to date information
- Clubs would be able to put notices in monthly
- If clubs need to make change, they are able to do this due to the frequency of the bulletin
- Better communication

Everyone, please help us to continue on a monthly bulletin. Clubs, please encourage your members to provide an e-mail address. If anyone needs an e-mail address, or doesn't want to provide their home e-mail address, there are free e-mail accounts available through Hotmail, Yahoo, or Google.

You will be blind copied on the bulletin so no one else will see your e-mail address. This should keep you from receiving e-mail other than the bulletin.

Please help us to continue the mailing, and send your name, address and e-mail address as soon as possible to:

iaadixie@irtc.net and copy iaanewsletter@comcast.net

Again, thank you to everyone that has given us an e-mail address. Please keep them coming.

Thank you
Dixie Garner
