VOL. 61 NO. 1 CIRC. JANUARY 2011

Dixie Garner 217-589-4758

## FROM DIXIE'S DESK:

Remember to send your e-mail address to Steve Stover at [iaanewsletter@comcast.net](mailto:iaanewsletter@comcast.net). Steve will be assisting this office in mailing the bulletin by e-mail. Thanks for your help in keeping this bulletin on a monthly publication. We still need your help, if you are a new member to the IAA/NFAA or just signed up for e mail please forward your address to Steve. If you want something printed, please send it to this office by the 15<sup>th</sup> of the month.

The IAA Convention will be held March 13, 2011 at Ryan Steakhouse on Dirksen Parkway in Springfield across from the super Wal-Mart. This will be a one day convention with registration starting at 9am. Coffee and rolls will be served from 9am to 10am. The delegates and board meeting will start at 10am. Buffett lunch will be served at noon with the cost off \$15.00. The awards will be presented following the noon banquet. Please make plans to attend.

Clubs will be bidding on the state championship shoots at the convention. A list of shoots and dates are listed in the coming events. A delegate from your club must be present for your club to bid on a shoot.

Vote count this year for your club will be determined by the number of NFAA members listed at NFAA headquarters.

Registration forms are in this bulletin. Any IAA/NFAA member is welcome to attend the convention as a delegate. You may register with your club secretary or you may register individually by contacting this office.

Hunting season is winding down, hope everyone had a safe season. Remember to send in your big and small game applications and your team hunt results to Ron Whitlock by February 1, 2011.

If you have any questions, please contact me or one of the officers. I can be reached at 217-589-4758 or e-mail at [iaadixie@irc.net](mailto:iaadixie@irc.net)

## Gun Raffle Questions and Answers

There have been some questions about the gun raffle from some members. I want to thank those who asked the questions and since there are others who probably have the same questions I wanted to publish them here for all.

**Q: What type of guns are we considering for the raffle?**

**A:** We have contacted the gun dealer who will purchase the guns for us and we asked him for recommendations on what is popular or selling well. He gave us recommendations for 3 varmint rifles, 2 hand guns, 4 shotguns and 3 small bore rifles. We don't know exactly which guns or models we will go with but we will only be purchasing guns that are legal to purchase and own.

**Q: Does a person need to have a FOID card to purchase a raffle ticket?**

**A:** No. However, any residents of Illinois who wins a gun will have to have a FOID card to take ownership of the gun they win.

**Q: Are there any consequences for IAA member for not selling raffle tickets?**

**A:** No. The IAA just won't raise as much money as they would if all members helped out.

**Q: Since we are an archery organization why are we selling guns?**

**A:** We are not selling guns. We are conducting a raffle to raise money. The reason we are raffling guns instead of bows is because the general public would rather win a gun than a bow because more people shoot guns, some people who don't even shoot guns are gun collectors and guns increase in value with time instead of decreasing as bows do.

**Q: What are the age restrictions for purchasing a ticket?**

**A:** None, but whoever claims a gun due to a successful drawing will have to be eligible to own a gun regardless of age, criminal record, etc.

**Q: Are there legal implication to selling raffle tickets for firearms? (liability)**

**A:** Only the part about making sure the winner can legally own a gun and getting the gun legally transferred to them. That is why we have a FFL gun dealer involved. He knows how to transfer the gun to residents of Illinois as well as to residents of bordering states and non-bordering states.

**Q: Can we sell tickets to residents of states other than Illinois?**

**A:** Yes. If they win a gun it will be shipped from our FFL dealer to the FFL dealer near the winner. The winner will pick up the gun from his local FFL dealer who will take care of making sure the new owner is legal.

**Q: Who will pay for shipping of guns to the winners?**

**A:** It will be either the IAA or the winners of the guns. So far, we are leaning towards letting the winners pay it.

If anyone has any more questions, please let me know. You can e-mail me at [bill@iaa.org](mailto:bill@iaa.org) and I will answer if I know the answer. If not, I will find out and then get back to you. Thanks, Bill Schuh

## **IAA Fund Raiser**

At the convention this year, we were discussing things the IAA could do if we had more money and the idea for a fund raiser was discussed. The IAA Board realizes our organization could raise quite a bit of money through this fund raiser and the funds could be used for betterment of the organization. We also realize we stand to lose money if the membership is not on board with it and willing to help make it work. I have been involved with identical fund raisers and here is how it works.

It is a gun of the month raffle where we give away 1 gun each month for a year. Each raffle ticket is in the drawing each month whether it was previously drawn out as a winner or not. This means each ticket purchased is in 12 gun raffles and the owner of that ticket has the potential of winning all 12 guns since each winning ticket goes back into the bucket of tickets. The tickets are easy to sell because for \$15 the purchaser is in 12 gun raffles.

Here is an example of how it works in more detail:

IAA gets with FFL dealer and decides which guns will be given each month.

IAA has tickets printed up with the gun for each month listed on back.

Each Head of House Hold receives minimum of 5 tickets to sell for \$15 each. More tickets are available upon request. All tickets are sold over a period of 2-3 months. You turn in your tickets stubs and money(write check to IAA for money collected).

IAA buys 12 guns for average cost of \$500 - total cost of guns \$6,000. We have an FFL dealer who will buy and sell to us at his cost.

Then a winner is drawn each month for twelve months.

As incentive to sell tickets, you get your name in a different pot once for each 5 tickets you sell. We will give \$500 to one IAA member whose name is drawn.

Estimated minimum funds to be raised (based on a minimum of 5 tickets sold per house and an average cost of \$500 per gun):

217 Head of House Hold X 5 tickets X \$15 = \$16,275

Subtract cost of guns - \$6,000 leaves \$10,275

Subtract cost of printing the tickets - ~\$100 leaves \$10,175

Subtract postage to mail tickets to members - ~\$150 leaves \$10,025

Subtract incentive paid to one IAA member - \$500 leaves \$9,525 for IAA use. This is the minimum we would raise since you can sell more than 5 tickets.

Gun raffle tickets are very easy to sell. The first year I participated in this type raffle I sold 105 tickets. The more you sell the more we make. Our organization could make a lot of improvements and do some new things with the money raised through this fund raiser. Please let your IAA Board representatives know your thoughts on this fund raiser.

Thanks,

Bill Schuh, IAA Southern Rep

**Tournament Committee**  
**For discussion at the March 2011 IAA Convention**

The membership determined two years ago to revise the format for the Target Championship for a trial period of two years. The format was changed from the required two day participation to a one day participation requirement, with the archer having the choice to shoot both days and have their lowest score thrown out.

The rationale behind the trial was to see if it would increase participation. Attendance was as follows:

<b>Year</b>	<b>Location</b>	<b>Format</b>	<b>1 day Participants</b>	<b>2 day Participants</b>	<b>Total Participants</b>
2008	Pekin Archers	2-day required	Not allowed	42	42
2009	Pekin Archers	1-day required	27	22	49
2010	Joliet Archery Club	1-day required	32	29	61

Club delegates to the Convention will be asked to determine to continue the current format of a one-day required participation, or return to the two-day required participation.
