ADDITIONAL RAFFLE INFORMATION – (repeated from last month in case you missed it)

IAA Board of Directors and the members that were present at the convention in March have decided to hold a Gun Raffle to raise money for the organization. This will enable the organization to do more things to promote itself and the sport that we all love.

Tickets for guns are easy to sell Guns go up in value; Bows go down in value and there are a lot more gun owners/collectors out there than archers.

Ticket Prices are \$15.00 each.

Tickets go on sale in May. First drawing will be in December of this year. We have to sell 600 tickets before the drawings will start. If we do not sell at least 600 tickets, it will become a 50/50 drawing.

Guns will not be purchased until after each drawing. Winner may want cash instead of the gun for that month. If the winner chooses the gun, there may be a delay in delivery of the gun due to some shortages from manufacturer according to the firearms dealer we are working with.

Only 2000 tickets will be printed which will increase the odds of winning. Ticket will go back into the bucket for the next drawing so 1 person has the potential to win all 12 guns for an investment of \$15.00.

Bill Mohn and Bill Schuh were appointed at convention to administer the raffle for the IAA.

Club contact will order tickets from Bill Mohn.

Club contact will distribute tickets to club members. They know the members and can better control tickets and money.

Club contact will collect the ticket stubs and \$\$ or checks. Please make checks payable to IAA for amount collected.

Seller puts their name on the back of the ticket stub that they sell. For every 5 stubs that you sell, seller will be put into the drawing once for one \$500 prize.

Each member needs to turn in their sold ticket stubs by the 15th of the month for the next months drawing.

Tickets can be sold to non-Illinois residents. IL residents will require a FOID card to accept a gun. Non IL residents will need to make delivery arrangements with their local FFL gun dealer to receive any guns won.

ATTENTION IAA MEMBERS

The IAA still needs your help. We need your e-mail address so you can stay up to date with the monthly bulletin. **At the convention on March 13, 2011 the board and delegates voted to send all bulletins by E-mail unless notified.** Like every other business in today's economy, we are cutting expenses where ever possible and postage is a very large expense every month which can be greatly reduced with your help.

The advantages of a monthly bulletin are:

- More up to date information
- Clubs would be able to put notices in monthly
- If clubs need to make change, they are able to do this due to the frequency of the bulletin.
- Better communication
- Cost effective

Everyone, please help us to continue on a monthly bulletin. Clubs, please encourage your members to provide an e-mail address. If anyone needs an e-mail address, or doesn't want to provide their home e-mail address, there are free e-mail accounts available through Hotmail, Yahoo, or Google.

You will be blind copied on the bulletin so no one else will see your e-mail address. This should keep you from receiving e-mail other than the bulletin.

A new e-mail account has been set up to receive your new e-mail address, change of current e-mail address or items that you want posted in the bulletin or on the website. Please help us by sending your name, address and e-mail address as soon as possible to.

iaadixie@irtc.net and iaanewsletter@il-archery.com

The bulletin mailed in APRIL was the last bulletin by mail unless we are notified that there is no other way for you to receive it. You will be able to view and download the monthly bulletin on the website as well.

Thank You

Dixie Garner
Secretary
Illinois Archery Association

Misc. Stuff:

You will notice that we have created a couple of new e-mail accounts.

Dixie still has her address of iaadixie@irtc.net. We have setup a new address of iaasec@il-archery.com. This address will forward to Dixie as well as to the newsletter account so that both are updated as quickly as possible.

We have setup iaanewsletter@il-archery.com to be used for items that you want published in the monthly bulletin (results, upcoming events, news items, etc) as well as any information for the website www.il-archery.com.
