**Revision, By-Laws, Page 29, Article II, Section A, Para 7, Item 7.7**

**Add to 7.7**

**CROSSBOW DIVISION**

Laser sights are not permitted. Lighted fiber optic sight pins are allowed in 2012-2013 on a trial basis. Rule is to be in effect starting 8 February 2012 and will be reviewed at the next Director's meeting.

**RIC Rulings**

**RIC August 2, 2010 RIC Upheld.**

At the 2010 Wisconsin State Outdoor Field Tournament, the question arose about non-NFAA members being allowed to shoot in a guest class. The Wisconsin Director made the ruling that this being one of the two required shoots required by the NFAA for association membership that all shooters must be

NFAA members even if they are guests. Non-members would not be allowed to shoot. This per page 12, Section B, Paragraph 2.5. The Wisconsin Director was questioned that according to paragraph 2.7, subsection 2.7.4 that membership may be waived in the guest division not shooting for awards. The Wisconsin Director's ruling on this is for shoots sanctioned by the state association not the NFAA and therefore would be able to shoot in a guest class.

Rules Interpretation Committee:

Based upon page 12, Article III, Section B, Paragraph 2, Items 2.5, 2.7, 2.7.1, 2.7.2, 2.7.3, 2.7.4, 2.8 and on page 13, Article III, Section B, Paragraph 5, Item 5.2 and Paragraph 6, Item 6.1: The Rules Interpretation Committee agrees with the Director from Wisconsin in that the required tournaments under item 2.5 require NFAA membership. Those tournaments in which NFAA membership may be waived, items 2.7.1 thru 2.7.4 are designated State level only. The required tournaments are a portion of the conditions of Association Membership which must be met to be in compliance. Lack of compliance could result in Expulsion or Suspension of Association Membership.

#### **RIC 2012-1. RIC Upheld**

The NFAA Director for Florida was asked to rule on whether or not the SURE-LOC Lethal Weapon pin sight attachment, when used with the SURE-LOCK movable sight, was legal in the NFAA Freestyle Bowhunter style. The Director ruled the sight was legal because it had five (5) fixed pins.

Rules Interpretation Committee: Based upon Article II, Section F, Paragraph 1, page 31, the Rules Interpretation Committee agrees with the Director. The sight meets the requirements as listed for use in Freestyle Bowhunter style of competition.

#### **RIC 2010-4. RIC Upheld**

The Director from Indiana ruled the use of wraps on arrow shafts – increasing the diameter beyond 0.422 inches – would be legal as long as the wrap is not in the scoring area. Arrows penetrating to the wraps would need to be reshot.

Rules Interpretation Committee: Agree with the Director from Indiana.

#### **RIC 2010-3 RIC Upheld**

Request for RIC Ruling from manufacturer – Eastman Outdoors/Carbon Express.

Would the NFAA rules committee make an official ruling on our X Jammer 27 arrows with the Bull Dog Nock Collar on the nock end of the arrow. The shaft itself is under the maximum diameter however the Bull Dog Nock Collar that fits over the shaft at the nock end is larger than .422.

Rules Interpretation Committee: The Rules Interpretation Committee feels the use of the Bull Dog Nock Collar would be legal for use in NFAA competition with the following condition. Only the shaft of the arrow could be scored. If an arrow equipped with a Bull Dog Nock Collar was embedded in the target face so that the nock collar was in the scoring area, that arrow could not be scored and would need to be reshot.

#### **RIC 1-31-11 RIC Upheld**

The manufacturer of a product called "The True Spot Sight" asked the Rules Interpretation Committee for a ruling on the legality of this sight in the Freestyle Bowhunter and Freestyle limited Bowhunter styles of competition. The sight consists of a multi-part housing with an insert aperture and a fixed reference point (pin) located so as to be visible through the aperture.

Rules Interpretation Committee: The Rules Interpretation committee feels the sight meets the requirements as listed for use in Freestyle Bowhunter and Freestyle Limited Bowhunter styles of competition.
