NFAA DIRECTOR 2 YEARS JUDY McCUTCHEON

I am pleased to accept the nomination to continue as the NFAA Director for Illinois. I have been involved in organized archery for 27 years, and a board member of the Illinois Archery Association for 21 of those years; starting out as a board Representative for the Target Division, progressing to President of the Target Division until the re-organization of the board. Since, I have served as Southern Representative, and am Chairman of the Tournament and Awards Committee. I have been a member of Panther Creek Bowhunters for 27 years, and have held various offices off and on over the years.

I will continue to promote the sport of archery in all forms; as a family sport, and remain active with the National Archery in the Schools Program in order to bring more young people into our sport. I will represent the IAA Board of Director and the members of the Illinois Archery Association to the best of my ability, by making informed decisions in my position with the NFAA Board of Directors with what best serves all archers and keeps archery alive; without prejudice or personal agenda.

Thank you for your support.

Judy McCutcheon

SOUTHERN REP

3 years

Bill Schuh

is 57 years old and has been involved in archery for 45 years. He is a member of the Wolf Run Bowhunters and Panther Creek Bowhunters and had held the office of President, Vice President and Secretary. He is a rep in IL Advanced Level Instructor. He is a member of the Christian Church where he is a deacon, Elder, and finance team and archery ministry leader. If elected will try to grow the organization by making us more visible to the public. Remove the organization from tax exempt status by raising more money than the organization can spend. Lower the average age of the Board by recruiting younger, more energetic people to replace the older, worn out members like myself.

Thank you to Bill and Bill for their efforts with of the gun raffle over the past year.

Thank you also to all members that sold tickets for this fundraiser. As soon as the final bills are paid, Dixie will put together the financials and we will let everyone know how everything turned out and what our plans are for the money that was raised.
