FROM SARA'S SPOT

Happy Father's Day! Join the fun at Panther Creek Bowhunters for the **Great Lakes NFAA Outdoor Sectionals on Father's Day weekend**, June 17-18. Practice will be allowed on Friday, only on the practice range.

A Scheels sponsored shoot on June 10 & 11 (the weekend before Sectionals) will be the last time to shoot the Field course before Sectionals. It will be set for half Field and half Hunter.

The **Outdoor State Target** will be held at **Pekin on July 8 & 9**. Registration form is in the newsletter and on the IAA website. This is the second leg of the competition for the coveted award of **state champion buckle** winner.

The **IAA board meeting** will be held on Saturday, July 8 following the State Target Championship in Pekin. All officers are encouraged to attend.

The **winner of the fifth raffle drawing** was Jason Elam from Beardstown. The winning ticket was sold by Bill Mohn. There are still 7 drawings left on which to sell chances. Don't forget for every 10 sold, the seller gets 1 ticket free. **Sold ticket stubs and money need to be turned in before the middle of each month.** Make a check for the total sold payable to IAA or Illinois Archery Association and mail to SARA RAYHEL, 13984 E 1425th AVE, ROBINSON IL 62454. Guns will be purchased after winners inform they want GUN and what Ga. Or Caliber instead of cash

All Winners Accepting Guns Must Pay All Appropriate Taxes and Transfer Fees. Illinois Winners Will Need Illinois FOID Card

To make this year's gun raffle a success, we will need every member's help. The proceeds from the raffles enabled the IAA to function for the last few years. It's what we used to purchase the State Championship trophies which cost the IAA approximately \$2000.00 for the previous years. This cost previously was taken from the entry fees of each tournament before the club/IAA split. Aggregate trophies are paid for solely by the State Organization. Throughout the year, we have additional expenses. The only other income we get each year is from the State dues and the small percentage we get from the State Shoots each year. Without the previous gun raffle, the IAA could have been out of money and unable to continue. So please take a few minutes and think about this, then get with either Bill Mohn or Sara Rayhel and have them send some tickets to you. We need your help.

Robert, IAA Chairman

The IAA Board of Directors and the members that were present at the convention in March decided to hold another Gun Raffle to raise money for the organization. This will enable the organization to do more things to promote itself and the sport that we all love. Ticket Prices are \$20.00 each and tickets are on sale. First drawing will be in January of 2017. We have to sell 600 tickets before the drawings will start. If we do not sell at least 600 tickets, it will become a 50/50 drawing. Guns will not be purchased until after each drawing. Winner may want cash instead of the gun for that month. If the winner chooses the gun, there may be a delay in delivery of the gun due to some shortages from manufacturers, according to the firearms dealer we are working with. Only 2000 tickets will be printed which will increase the odds of winning. Drawn ticket will go back into the bucket for the next drawing so 1 person has the potential to win all 12 guns for an investment of \$20.00. Bill Mohn and Bill Schuh again graciously agreed to administer the raffle for the IAA. Club contacts or members contact Bill Mohn for tickets. Club contact will distribute tickets to club members. They know the members and can better control tickets and money. Club contact will collect the ticket stubs and \$\$ or checks. Please make checks payable to IAA for amount collected. Seller puts their name on the back of the ticket stub that they sell. For every 10 tickets that you sell, seller gets one free. Each member needs to turn in their sold ticket stubs by the 15th of the month for the next month's drawing. Tickets can be sold to non-Illinois residents. IL residents will require a FOID card to accept a gun. Non IL residents will need to make delivery arrangements with their local FFL gun dealer to receive any guns won. Contact info: Bill Mohn 217-725-0836 cell, tighttweener@warpnet.net RETURN ALL TICKET STUBS AND MONEY TO BILL MOHN, 3729 OLD WATERWORKS RD, SPRINGFIELD, IL 62702 BY THE 15th of the month for the next month's drawing.

IAA Raffle Ticket Selling Tips

1. Contact your local club raffle contact or Bill Mohn at 217-725-0836 to obtain tickets to sell.
2. The tickets cost \$20.00
3. Ask friends, family and co-workers if they like guns and gun raffles. If they say "no", then ask them if they like cash. There is a cash option for each raffle if they don't want a gun. Show them the back of the tickets for the list of guns and cash options.
4. Explain that these tickets are for 12 raffles at about \$1.67 per raffle. The winning tickets go back in the cage for the next drawing so all tickets are in all 12 raffles.
5. Have the buyer fill out the left portion of ticket so we can contact them. Tear of the right portion of ticket and give to the buyer so they can see what is being given away each month.
6. Be sure to put your name on the back of the ticket stub as IAA member. For every 10 tickets you sell, you get 1 ticket free.
7. Mail ticket stubs and a check for the total sold to Bill Mohn. Make checks payable to IAA or Illinois Archery Association.
8. If you have any questions, contact Bill Mohn: 217-725-0836 cell, tighttweener@warpnet.net

Notes: Some people may ask how they get their gun if they live out of state. If people live out of state or don't want to pick up their gun at our dealer in Springfield, IL, they can have the gun shipped from our dealer to an FFL gun dealer near them. Then they can pick up their gun at their local dealer. Some people may ask if they need a FOID to buy tickets. They do not need a FOID to buy tickets. If they are a winner and live in Illinois and want a gun instead of cash, then they will need a FOID. Out of state winners do not need a FOID.

Panther Creek Bowhunters Archery Club is a non-profit organization open to archers of all ages and classes. The club was established in 1956, making it one of the oldest in IL. It is located in the Chatham/Springfield area just south of Lake Springfield. The club sits on 80+ acres of timbered land with rolling trails perfect for our 3D and field archery courses. Our clubhouse is just down the main entrance right next to our open practice range with targets in 5 yard increments from 20 out to 80 yards! We are the longest continually chartered member of the NFAA.

OUTDOOR TARGET CHAMPIONSHIP
900 ROUND

UPDATED 2016

ROUND: 900 ROUND BOTH DAYS

ADULTS &
YOUNG ADULTS: 30 arrows at 60 yards
30 arrows at 50 yards
30 arrows at 40 yards

YOUTH: 30 arrows at 50 yards
30 arrows at 40 yards
30 arrows at 30 yards

CUBS: 30 arrows at 30 yards
30 arrows at 20 yards
30 arrows at 10 yards

Archers shall be in groups of 4 on each target butt, no less than 3, no more than 5. Archers will shoot a double line at the discretion of the tournament chairman.

An END consists of six arrows, except for 40 yards -- each END at 40 yards will be shot in two groups of three.

The round will begin with two official practice ends.

Shooting will commence and end with a whistle blast. Several whistle blasts in rapid succession means that there is an emergent situation and stop shooting IMMEDIATELY.

SPOTTING AIDS MAY BE USED.

SCORING:	INNER GOLD	10	OUTER GOLD	9
	INNER RED	8	OUTER RED	7
	INNER BLUE	6	OUTER BLUE	5
	INNER BLACK	4	OUTER BLACK	3
	INNER WHITE	2	OUTER WHITE	1

Arrows must TOUCH the scoring line to be in the higher scoring area.

Arrows and scoring fact are not to be touched until all arrows are scored and recorded.

SCORECARDS:

There will be duplicate scoring. Two archers are chosen to be scorekeepers, one archer will call the value of the arrows and one archer will be target captain. If there is any disagreement in the group as to the value of an arrow, the target captain will make the final decision.

The numeric value of each arrow, total end score and total round score shall be recorded. At the completion of the second day's round, the total score for both days shall be recorded.

Each archer is individually responsible for seeing that his arrows are called correctly and properly entered on the score cards and that his score cards are turned in to the proper officials signed by both scorers and the archer.

SHOOTING THE ROUND:

There will be a 5 minute time limit. At the discretion of the tournament chairman, the time limit may be extended based on weather conditions.

Unsuspected pass-throughs will be re-shot after all rounds have been completed for that day.

Any arrow that has passed through the target face in such a manner that it can easily be pushed back through and scored may be pushed back through after all arrows in the target have been scored and recorded – if all target mates are in agreement. If the arrow is hanging from the back of the target at an angle and cannot be easily pushed back through and scored, or if all target mates are not in agreement, this must be treated as an unsuspected pass-through and re-shot as above.

If an arrow should hang from the scoring face, shooting shall be interrupted and a field official shall immediately re-insert the arrow in its proper place in the scoring face. If the arrow falls or bounces from the target face it will be re-shot as above.

Hits on the wrong target shall score as misses.

If an archer shoots less than six arrows at 60 and 50 yards, or less than 3 arrows at 40 yards, he may shoot the remaining arrows if the omission is discovered before the end is officially completed. Otherwise, they shall score as misses.

If an archer shoots more than the prescribed number of arrows in one end, only the lowest arrows shall score. (at ends of six, only the lowest scoring six arrows shall score, at ends of three, only the lowest scoring three shall score).

In case of equipment failure, verified by the range captain, the archer will have 45 minutes for repair, and one practice end to re-sight. Missed ends will be made up at the completion of the round for that day.

An archer is not entitled to repeat a shot unless the mis-shot arrow can be reached by the bow from the archer's position on the shooting line.

If a target butt falls before an end is scored, that end will be re-shot by all archers on that target butt after the completion of the round for that day.

Archers may not make up lost ends or arrows except as specified.

FLIGHTING:

NFAA flighting system will be used for class/styles with 10 or more archers.

For a two day tournament: Archers will be placed in flights after the first day's round is completed, and will remain in these flights for the duration of the tournament.

For a one-day tournament: Archers will be placed in flights at the conclusion of the tournament.

TIES:

For a two day tournament: All ties for awards will be shot off at maximum distance – one end of three arrows scored inside out. If still tied, then arrow by arrow sudden death.

For a one day tournament: Ties for awards will be broken by scoring the last two ends at 60 yards inside/out. Duplicate awards will be given if the archers remain tied on inside/out scoring.
