FROM SARA'S SPOT:

Yes, it's true. The NFAA State organization affiliation has been taken from the Illinois Archery Association. So what does that mean?

1.) **For me**, I will continue as the IAA secretary, but I am no longer your State Secretary and will not be able to take care of any of the business for you concerning NFAA.

2.) **For the IAA**, it means funds from your NFAA/state dues and clubs will now be sent to support the Field Archers of IL group in Chicago instead of the IAA. Otherwise, it is archery as usual, our shoots will continue and new events added. No affiliation is required to participate in any IAA shoots. If you have been an IAA member, your membership will continue. If you want to join the IAA, there are no dues, simply contact me to be added to the email.

3.) **For you**, the NFAA state championships and other matters will be under the control of FA IL. So what are some of your options?

a.) Continue as usual with NFAA and state membership keeping in mind where your dues are going.

b.) Continue your NFAA membership and switch your affiliation to a different state. You can choose any state. Keep in mind you would need to check FA IL rules for competing in NFAA State Championships.

c.) Discontinue your NFAA membership. Be sure to check if you are on auto renewal. Your IAA membership will continue.

d.) For help or information call NFAA 605-260-9279
