# ATTENTION IAA MEMBERS

The IAA needs your help. We need your e-mail address. We still need roughly another 16% to make the monthly bulletin cost effective. At the convention in 2008 a proposal was made to return to a monthly bulletin by sending the bulletin by e-mail. In order to keep the bulletin on a monthly mailing we still need e-mail addresses.

The advantages of a monthly bulletin are:

- More up to date information
- Clubs would be able to put notices in monthly
- If clubs need to make change, they are able to do this due to the frequency of the bulletin
- Better communication

Everyone, please help us to continue on a monthly bulletin. Clubs, please encourage your members to provide an e-mail address. If anyone needs an e-mail address, or doesn't want to provide their home e-mail address, there are free e-mail accounts available through Hotmail, Yahoo, or Google.

You will be blind copied on the bulletin so no one else will see your e-mail address. This should keep you from receiving e-mail other than the bulletin.

Please help us to continue the mailing, and send your name, address and e-mail address as soon as possible to:

[iaadixie@irtc.net](mailto:iaadixie@irtc.net) and copy [iaanewsletter@comcast.net](mailto:iaanewsletter@comcast.net)

Again, thank you to everyone that has given us an e-mail address. Please keep them coming.

Thank you  
Dixie Garner

On March 28, 2009 the Illinois Archery Association along with the Illinois Department of Natural Resources hosted the Fourth Annual National Archery in the Schools Program Illinois State Championship Tournament.

Although the weather did not cooperate, rain and cold, the students had a good time and were anxious to return next year. The number of students and schools participating continue to grow each year 356 students and 15 schools pre-registered. I would like to thank the following people who gave of themselves to make this tournament possible. Ron Whitlock, Pat Whitlock, Robert Rayhel, Sara Rayhel, Bill Schuh, Rick Knorr, Kathy Pindell, Nancy Zorn, Randy Rutledge, Tanya Washburn, Ron McCarthy, Pete VanMeter, Bill Mohn, Gary Rigney, Wayne Thomas, Dave Woods and Judy McCutcheon. With the support of dedicated individuals like you the NASP and ASAP programs are certain to continue growing in Illinois.

*teach a kid to shoot today!*

thanks,  
Bob

## Welcome NFAA Field Archers!

Mechanicsburg Sportsmen's Association, home to the Mechanicsburg Archers, is proud to host the 2009 NFAA Outdoor National Field Championship, July 22 - 26.

### Where Are We Located?

Mechanicsburg Sportsmen's Association's Physical Address: 493 Sample Bridge Road, Mechanicsburg, PA 17055  
Website: [www.msa-pa.org](http://www.msa-pa.org)

Our 153-acre club is easy to get to, located only 5 minutes from exit 57 of I-81. From the exit, take Rt. 114 west to the light. Turn right on Rt. 944, go approx. ¼ mile and turn left onto Miller's Gap Road. Go approx. 1 mile and turn right at the "Y" onto Sample Bridge Road. Club is located on the right.

### About Our Courses and Us

We are members of the PA State Archery Association, Cumberland Valley Archery Winter League, and Penn Dutch league. Our Archery facilities include four (4) 28 target NFAA / PSAA approved field courses with a fifth course that should be completed by early spring 2009.

Most of our field shooting lanes are wide enough to accommodate all 4 archers at one time. There are no steep hills to climb; they are like walking on a golf course (grass and all).

Each of these fine courses are numbered and color coded at shooting positions and target butts, with signs that have target numbers and all yardages listed for Field, Hunter, and Animal distances. All yardage markers are colored coded and marked to match the yardage signs at each target and are placed in the ground using concrete cylinders and/or steel plates. Our permanent courses have target butts made out of Celotex. Sometimes, depending on the type of arrows shot, this Celotex can leave a small residue on the shaft. Using an arrow lubricant to help prevent sticking and sometime even a steel pot scrubber to remove the residue can be beneficial.

Our practice facility is shot from a straight single line with 24 staggered butts that can be shot from 10 to 80 yards

We annually host the PSAA Field/Hunter, and Animal championships. This year's PSAA shoot is the weekend before Nationals, July 18 & 19, and all NFAA

members are welcome to attend this shoot and participate in the guest division. **This is a Pre-Registration Shoot.** For a Registration form and to get more information visit: [www.psaa.net](http://www.psaa.net).

The Mechanicsburg Archers will also be holding a Penn-Dutch League shoot June 20 & 21, 2009. This shoot is 14 Field & 14 Hunter Targets both days. This is a casual registration shoot from 7:00 A.M. to 11:00 A.M. both days.

### Where To Stay

For those coming in from outside the area, you will find all major hotel / motel chains located within 10 miles of the club.

They are home to the West Shore Hardware Bar (night club), Legends Sports Bar and Restaurant, and the Carlisle Pike Saloon. The rate is \$99.00 a night. Be sure to mention NFAA.

With the fee per meal attached. Checks can be made out to MSA. Thank you for your support with this event.

## Vendors...

We will have limited space inside for vendors to set up and promote their items. There will be limited space outdoors for vendors with trailers to set up also. This will be on a first come basis. There will be a fee of \$50 for a spot. Please call and reserve a spot. Contact Phil or Jo Mentzer (717)766-8001. If there is no answer please leave a message with a phone number so a return call can be made because spots may go quickly.

## Things to See and Do

There are many non-archery related activities to occupy your free time. Hershey Park and Chocolate World is an easy ½ hour drive from the club. The Gettysburg Battle Field is less than an hour away. Or you might choose to visit the Amish Attractions in

Lancaster County (and Lancaster Archery Supply!), The National Civil War Museum or PA State Museum in Harrisburg, Indian Echo Caverns, Or even go to a Harrisburg Senators AA Baseball game on City Island. For the golfers, 6 golf courses are located in the area. The fishermen can enjoy small mouth bass fishing on the Susquehanna River and trout fishing on some of the most famous limestone streams in the east, the Yellow Breeches Creek and Letort Spring Run, all located within 10 miles of the club.

There are a variety of restaurants in the area and plenty of stores for shopping.

Any Questions please feel free to contact Phil or Jo Mentzer at (717)766-8001. Email Jo Mentzer at [cvsoftballmom@aol.com](mailto:cvsoftballmom@aol.com).

**Again, Mechanicsburg Archers want to welcome all of you to the area and hope you enjoy your stay.**
